

## Welcome to EYFS Autumn Term 2024

Dear Parents,

Welcome to the Autumn term in Class One for our Nursery and Reception children. I hope you have all enjoyed a lovely summer break with friends and family. This is a very special term for the children and we are looking forward to sharing this learning journey with them as well as yourselves.

### Teaching and learning in Nursery and Reception

Mrs Haslam continues to have overall responsibility for the teaching and learning in Class One and is supported by Miss Butler and Mrs Harwood. Some of our sessions have children in both Nursery and Reception being taught together, in other sessions, Nursery may be taught separately where teaching will be led by Miss Butler or Mrs Harwood.

### Lunches and snack

A reminder that Reception children can enjoy a free hot lunch in school each day; our lunches are super tasty and we encourage all children to take up this offer!

It is really helpful if you can discuss with your child the lunch menu for each day before they come into school so they understand the options available and are happy with their choice. **Please note that if your child is bringing a packed lunch, we are a strictly nut-free school and have several pupils with severe nut allergies. Please ensure all packed lunch items are nut free.** All children in EYFS will receive fruit and milk every day and we kindly ask that children do not bring additional snacks to school. Children should bring a named water bottle to school which will be sent home each day for washing and refilling. Please ensure these contain water only.

### Clothing

Children need to be suitably dressed for the weather each day which may include bringing a coat, sun hat and cream to school at the beginning of the term. During the warmer months, please apply sun cream to your child in the morning before they arrive in school and if they need more during the day then a bottle which is named can be brought into school and left (please note they cannot be sent home each day). All children require a pair of wellies and a puddlesuit/waterproofs which can be left in school. **Please can all items of clothing be clearly labelled with your child's name.**

Please can all children in both Nursery and Reception have a bag of spare clothing which can be left on their peg. This should include spare underwear and socks.

Spare clothing does not need to be an additional set of uniform. Please ensure all items are clearly labelled with your child's name. All children continue to need puddle suits and wellies throughout the summer term.

## PE

PE for children in Nursery and Reception this year will be on Thursdays. Please can your child come to school on a Thursday dressed in their PE kits which they will remain in for the day. Please note that school PE kit is optional for children in Nursery, however children should come in trainers and tracksuit bottoms/leggings and a suitable top if they are not wearing a school PE kit. A reminder that PE kit for children in Reception is black shorts/jogging bottoms or leggings, trainers and a Levens PE t-shirt which can also be plain white or pale blue and a Levens hoodie.

## Reading books

Children in Reception will begin to bring home reading books over the next few weeks. More information about how we teach reading and how to support your child at home will be shared with you on Wednesday 18<sup>th</sup> September at 4pm at our annual reading meeting.

## Trips

Please see the table below for details about trips for Reception for the academic year ahead. All costs are approximate and will be confirmed nearer the time.

<b>Autumn term</b>	<b>Spring term</b>	<b>Summer term</b>
Leighton Moss £8 Theatre £12.50	N/A	Wildlife Oasis £15 Adventurous activity £15

## Letters

Any slips that need returning can be placed in the black box next to the water bottle tray. We have found that it can be helpful to send children in with anything to be returned in their hands as they enter school rather than on book bags as we don't routinely check these. Please ensure no toys or games are brought into school.

Please see the information below for details about the learning opportunities children in Nursery and Reception will have in the Autumn Term. The children will learn through a combination of self-initiated independent learning and adult-led activities as well as opportunities through provision in the classroom.

We value highly the children's interests and what sparks their imaginations which is why we have chosen to use different books to base their learning around rather

than structured topics. This provides the children with greater autonomy over their learning and may mean we spend a few days on something or even a few weeks. Stay tuned to the school blog and Tapestry to see where the children take us on their learning journey...Please do get in contact with me via the class email address if you have any queries or concerns: [class1@levens.cumbria.sch.uk](mailto:class1@levens.cumbria.sch.uk)

Many thanks for your continued support.

Kind regards,

Mrs Haslam and the Class One Team
