

Class 4

We care about the presentation of our work!

We therefore:

- write and draw in pencil; and in year six, we write in black ink;
- sketch and draw diagrams with a pencil, unless instructed otherwise;
- use a neat, legible, joined writing style and write on the line;
- use a ruler to draw a line after the last piece of work;
- write the date and the LO at the top of the page;
- underline the date and LO with a ruler;
- write one digit in one square in our maths books;
- use coloured pencils, not felt tips or gel pens, to enhance our drawings and diagrams;
- edit our work using our purple pens;
- write question numbers in the margin;
- glue our work neatly into our books;
- use both sides of the page;
- take care of the cover of our books;
- store our books neatly and carefully;
- neatly put a line through mistakes, like ~~this~~ and use rubbers when necessary.
